MISSION

The Department of Parks and Recreation enhances the quality of life and wellness of DC residents and visitors by providing equal access to affordable and quality recreational services by organizing programs, activities and events, as well as by building and maintaining safe and beautiful open spaces and recreational amenities.

SCOPE

The DPR manages and maintains 358 parks, including 69 recreation facilities, 78 playgrounds, 40 aquatic centers, and hundreds of play courts, athletic fields, and green spaces. 3. Enhance customer experience by modernizing and maintaining existing facilities in excellent condition.
4. Align the capital budget to ensure funding of projects from planning and design, through construction.
5. Provide modern and efficient vehicle fleet to support programming.

Elements on this page of the Agency Summary include:

Funding Tables: Past budget allotments show the allotment balance, calculated as allotments received to date less all obligations (the sum of expenditures, encumbrances, intra-District advances and pre-encumbrances). Agencies are allowed to encumber and pre-encumber funds up to the limit of a capital project's budget authority, which might be higher than allotments received to date. For this reason, a negative balance on a projectsheet does not necessarily indicate overspending or an anti-deficiency violation. A negative balance is permitted in this calculation of remaining allotment authority.

Additional Appropriations Data (\$000): Provides a summary of the budget authority over the life of the project. The table can be read as follows:

Original 6-Year Budget Authority: Represents the authority from the fiscal year in which budget was first appropriated through the next 5 years.

Budget Authority Thru FY 2018 : Represents the lifetime budget authority, including the 6 year budget authority for FY 2013 through 2018

FY 2013 Budget Authority Revisions: Represents the changes to the budget authority as a result of reprogramming, redirections and rescissions (also reflected in Appendix F) for the current fiscal year.

6-Year Budget Authority Thru 2018 : This is the total 6-year authority for FY 2013 through FY 2018 including changes from the current fiscal year.

Budget Authority Request for 2014 through 2019 : Represents the 6 year budget authority for 2014 through 2019

Increase (Decrease) : This is the change in 6 year budget requested for FY 2014 - FY 2019 (change in budget authority is shown in Appendix A).

Estimated Operating Impact: If a project has operating impacts that the agency has quantified, the effects are summarized in the respective year of impact

FTE Data (Total budget in FTE Table might differ from actual budget due to rounding): Provides the number for Full Time Equivalent (FTE) employees approved as eligible to be charged to capital projects by, or on behalf of, the agency. Additionally it provides the total budget for these employees (Personal Services), the non personnel portion of the budget in the agency's capital plan and, the percentage of the agency CIP budget from either expense category.

Facility Location Map: For those agencies with facilities projects, a map reflecting projects and their geographic location within the District of Columbia.

AM0-QD738-FORT DUPONT ICE ARENA REPLACEMENT

Agency: DEPARTMENT OF PARKS AND RECREATION (HA0)
Implementing Agency: DEPARTMENT OF GENERAL SERVICES (AM0)
Project No: QD738
Ward: 7
Location: 3779 ELI PLACE SE
Facility Name or Identifier: FORT DUPONT ICE ARENA
Status: New
Useful Life of the Project: 30
Estimated Full Funding Cost: \$20,000,000

Description:

This project will fund design development and construction for the modernization and possible expansion of the Ft. Dupont Ice Arena in Ward 7. The Friends of Fort Dupont Ice Arena will raise private donations to assist the project funding.

Justification:

The existing ice arena was constructed in 1976 as a temporary facility celebrating the American Bicentennial. It is a heavily used recreational facility but is beyond its useful life.

Progress Assessment:

In 2010 the National Park Service transferred property in Fort Dupont Park to the District of Columbia. A portion of the property serves as the location of the Baseball Academy to be constructed by the Washington Convention and Sports Authority (Events DC) and the Washington Nationals Foundation. The Fort Dupont Ice Arena is on the remaining portion of the property along with a shared surface parking lot.

AM0-RG001-GENERAL IMPROVEMENTS - DPR

Agency: DEPARTMENT OF PARKS AND RECREATION (HA0)
Implementing Agency: DEPARTMENT OF GENERAL SERVICES (AM0)
Project No: RG001
Ward:
Location: DISTRICT-WIDE
Facility Name or Identifier: VARIOUS
Status: Ongoing Subprojects
Useful Life of the Project: 10
Estimated Full Funding Cost:\$92,589,000

Description:

The General Improvements project ensures monies are available to address projects as they are identified, especially emergencies and unmet needs. This project includes urgent renovations to parks and recreation centers, replacement of water fountains, and major repairs, renovation, and installation of new heating, ventilating, and air conditioning (HVAC) systems at various DC Department of Parks and Recreation (DPR) facilities across the city. The project also addresses major repairs, renovation, and replacement of roofing systems at various DPR facilities across the city. Many DPR facilities have experienced major roof leakage indicating that their roofs are beyond repair and require replacement. This project ensures funding is available to remediate deteriorated landscape and protect resources from the damaging effects of storm water runoff. Also, DPR needs to bring more facilities into compliance with the Americans with Disabilities Act, and make more centers accessible to all citizens of the District by constructing additional ramps and expanding doorways where necessary.

Justification:

General improvement projects address conditions considered significant enough to require substantial capital improvement. These projects result in enhanced aesthetics and improved safety for District taxpayers. General Improvements spending on parks and recreation centers is consistent with the Agency's objective to preserve and enhance the District's public open spaces, athletic fields, and landscaped parks as well as making sound investments in DPR's facility inventory.

Progress Assessment:

General Improvements are ongoing.
